

## Technical Data Sheet

### M4 x 16mm CSK Phillips Countersunk Machine Screws (DIN 965) - Stainless Steel 304

|                              |                                     |
|------------------------------|-------------------------------------|
| 3FParts Product Code (3PC)   | 3F-00125-129-2321                   |
| Head Diameter (Max) (D)      | 8.4mm                               |
| Countersunk Angle (CA)       | 90 Degrees Tolerance: +2/-0 Degrees |
| Countersunk Length (Max) (H) | 2.2mm                               |
| Drive Size                   | PH2                                 |
| Head Diameter (Min) (D)      | 7.14mm                              |
| Thread Size (Dia.)           | M4                                  |
| Thread Pitch                 | 0.70 mm                             |
| Length (L)                   | 16mm                                |
| Manufacturing Standard       | DIN 965                             |
| Material                     | Stainless Steel 304                 |
| Fully Threaded               | Yes                                 |
